Dr. Who tells everyone to take refuge in the lake, while he goes to operate a device called a tremulator. But as he and John reach the Tardis, they discover that Gillian is not with them . . .

BUT JOHN NEED NOT HAVE WORRIED . . .

JOHN AND GRANDFATHER ARE MISSING! WHEREVER CAN THEY BE? I DO HOPE THEY ARE NOT IN DANGER!

THIS WAY... BUT TAKE GREAT CARE! THERE IS A LOT OF DAMAGE AND STONES MAY STILL BE FALLING!

OH GRANDFATHER! YOU ARE BOTH SAFE! I WAS SO WORRIED WHEN YOU DISAPPEARED IN THAT TERRIBLE ATTACK!

YES, MY DEAR, WE WERE SAFE ENOUGH... THANKS TO THE TREMULATOR!

SUDDENLY, A STRONG WIND STARTS BLOWING . . .

WE WOULDN'T HAVE BEEN SAFE IF GRANDFATHER HAD NOT TURNED ON THE TREMULATER IN TIME!

THIS WIND IS AWFUL! WHAT'S HAPPENING?

THAT LOOKS LIKE A TORNADO! I HOPE IT IS NOT GOING TO BRING FURTHER DAMAGE TO OUR CITY!

NO, MY DEAR EMPEROR, THERE IS NO NEED TO WORRY ABOUT THAT! EVERYTHING IS UNDER CONTROL, I ASSURE YOU!

YOU SEE, I DEFLECTED THE VIBRATIONS AND THEY ARE NOW... HE-HE... GOING BACK LIKE A BOOMERANG TO BRING DESTRUCTION TO YOUR ENEMY, BELLUS! LISTEN!

THANK YOU, MY DEAR EMPEROR, FOR THIS FINE GIFT! NOW, I'M AFRAID WE MUST BE OFF, SO I BID YOU FAREWELL!

JAMES BOND CRASHES INTO TOYSHOP - NEWS FLASH!

007 Corgi car creates sensation in High Street

A top priority report reveals that James Bond's exclusively built Aston Martin DB5 has roared into your toyshop.
Eye-witnesses claim that the demand for this car has reached fantastic figures. "No sooner in than out," said one leading Corgi stockist. "Never known such a rush," says another.
But relief is on the way. Reliable sources confirm that new supplies of DB5's have already left the top secret Corgi assembly line. "I'm going to queue all night," said one Junior 007.

Confidential Test Report

Acting on sealed, secret instructions which were found with the car, our special investigator tested the hidden machine guns and special over-riders, checked the double-quick action of the bullet-proof shield and the swift efficiency of the ejector seat.
Every buyer of the DB5 is particularly requested to read the secret instructions in strict privacy. On no account must they be allowed to fall into the hands of SMERSH. Owners of this exclusive Corgi car can be identified by wearing the 007 Secret Agent Flash.

When available Corgi Model No. 261 James Bond Aston Martin DB5, Length 3⅞ ins., is all yours for only **9/11.**

Why you should be a Corgi collector

If you think the Corgi Aston Martin DB5 is super, you're right. It comes from the same assembly line as all the other great Corgi winners you see everywhere. And there's no secret about their fabulous success! They are always first with the finest features any models could possibly have: jewelled headlights: opening windows: opening bonnets, boots, and doors: Trans-O-Lites (beams without batteries): Glidamatic spring suspension: plus superb finish: accurate detail: and so many other extras!
